

# Lillehammer 1994 (and 2016) legacy and leadership

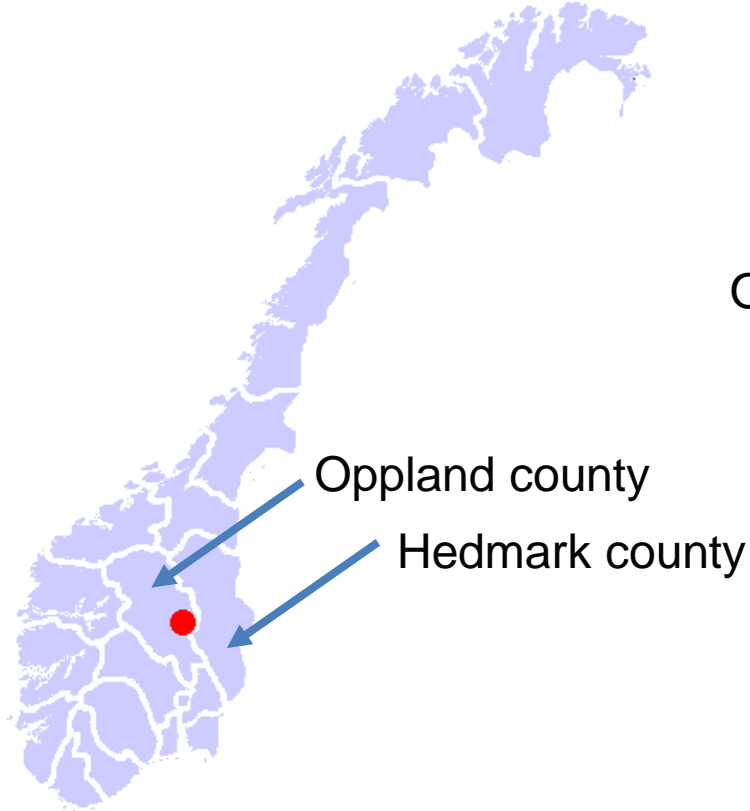

Eivind Å. Skille

# Content

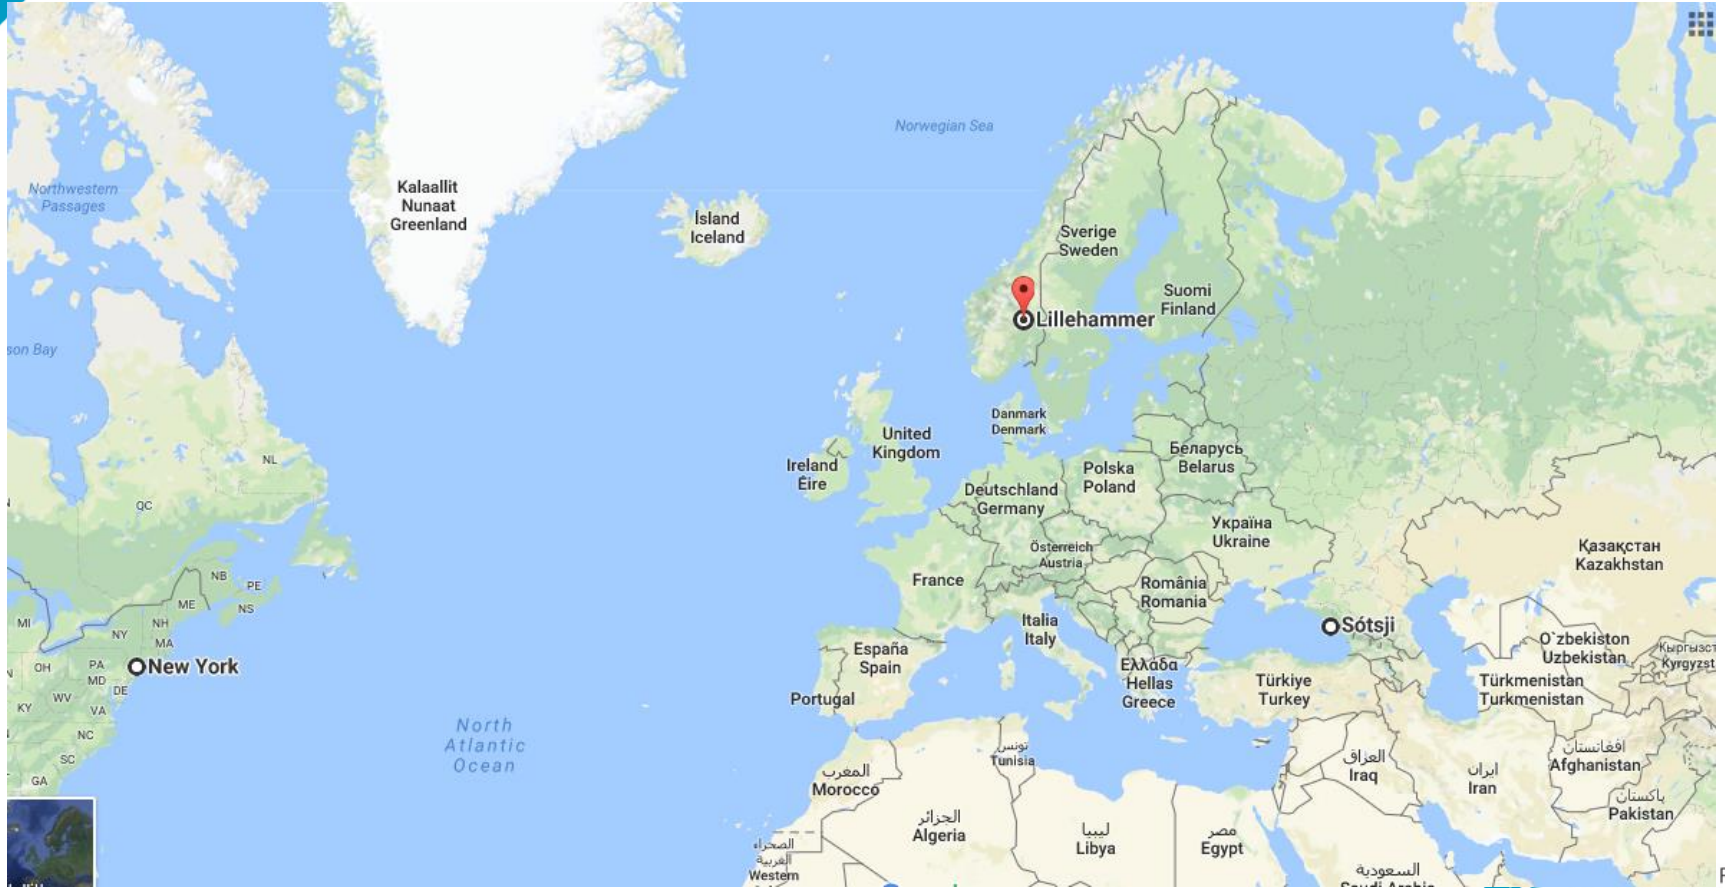

- Planned legacy
- Unintended consequences
- In-between elements
- All linked by management

# Context

- Lillehammer
- Inland
- Norway
  
- Sochi
- New York

Oppland + Hedmark = Inland region

# Planned outcomes

- Facilities for after-use
  - Sliding center
  - Free style ski slope
  - Ski jumping hills
  - The Viking ship
  - Cross country skiing and biathlon arena
  - Kristin hall and Håkon hall

Andrew from NZ

# Olympic legacy

- Green games
- Youth Olympic Games

# Youth Olympic Games (YOG)

- 2016: second winter youth Olympic games
- A legacy in itself
- Legacy of YOG 2016?
  - More games?
  - Youth sport?
    - Participation
    - Leaders and volunteers

# Management competence

- That is the link between OG 1994, facilities, and YOG 2016
- Jobs
- Skills

# Management competence

- Volunteers and **lower/middle leaders in 1994**  
worked with facilities for two decades and became
- **Central leaders in YOG 2016**

# Management competence

- Younger people worked as leaders and volunteers at YOG and will hopefully become
- Future leaders of sport facilities and sport organizations
  - And future games?

# Unintended consequences
